### **FERRARI EXPERIENCE**

The acceleration, the turns, the braking, the engine rumble, the excitement of speed: you will climb on board a powerful Ferrari 360 Challenge car beside a professional driver so you can live real life emotions on a race track that only a real race car driver can give you.

### **DYNAMIC ACTIVITIES (WITH SUBARU CARS)**

- **BEHIND THE STEERING WHEEL ON TRACK!** You are now the protagonists on the steering wheel with a driver-instructor to your side. The driver-instructor will help you in learning the secrets and techniques of safe and sport driving, also examining the dynamics of correct driving techniques: setting the course, driving fluidity, the effect of transferring loads on the vehicle.
- **CHRONO GT CONTEST:** Little "bowling" track (in an area near the box) to improve the driving style and to valorise active safety systems on the modern vehicles, for examples ABS, ASR, VDC and EBD. Lap timer and final awards for the best three customers.
- **KART RACE.** A kart race, very funny and exiting, will be organized in the area near the box with final awards for the best three customers.
